TESTIMONIALS FROM CHRISTEL HOUSE SUPPORTERS

"OneAmerica's relationship with Christel House spans over 20 years, positively impacting the lives of thousands of people through innovative and life changing initiatives like our Pathways program. Christel's vision and energy not only helped launch countless projects within our Hoosier community, but within OneAmerica itself during her tenure as a member of our Board of Directors. It's a pleasure to partner with an organization that shares our determination to make a difference in people's daily lives."

- **Scott Davison, Chairman, CEO and President, OneAmerica**

"Why Christel House? I was smitten by the photographs of (and meeting) the students. So beaming and eager to learn! Christel House is providing opportunities these children otherwise would not have, and is transforming both lives AND communities!"

- **John and Janet Petrovski**

"We are thrilled to continue our support of Christel House International. We cannot think of a more powerful way to support well deserving students whose educational opportunities will positively impact their futures, the lives of their families, and their communities at large. The work of these international schools truly changes lives."

- **Kelly and Kathy Flynn**

"Everyone has heard the phrase, 'Give a man a fish and he will eat for a day; teach a man to fish and you will feed him for a lifetime.' We wanted to find a charity that exemplified that mantra. We did exactly that the minute we toured a Christel House school in Mexico City."

- **Pete and Kathi Bertenshaw**

"Why am I so passionate about Christel House? Because Christel helped us start our company, Grand Pacific Resorts, in the early 1990s. Her insights, guidance and mentoring were fundamental to developing the culture of our company. She was generous with her time, and I loved the twinkle in her eye, her focus, and consistency. I miss her!"

- **David S. Brown, Co-President Grand Pacific Resorts**

"Words cannot describe what Christel House does for its students, families, and teachers, which is why RCI has been a longtime supporter. Its mission to help children achieve the best they can be speaks to our organization and associates. Every year, our teams dedicate time with local Christel House schools - some have volunteered for years, even decades. The contributions Christel House plays in the development of these children into young men and women is such a gift. We are honored to play a role in supporting Christel House's amazing mission."

- **Olivier Chavy, Christel House International Board Member and President of Panorama and Travel + Leisure Clubs**

"I am grateful for the privilege of naming the newly constructed playfield at Christel House Jamaica in honor of my late husband, Doug, and our family. Supporting the needs of all children to safely play and dream - and have fun being kids! - is a value held in our family. It is a treasure to share this gift with kids in Jamaica."

- **Detra Mills**

"We were introduced to Christel House by our dear friend, Jaswant Gidda. We paid several visits to the Indianapolis center to get a first hand feel of the work being done by Christel House. I was impressed by the success rate of high school graduation from their school vs the average rate of Indianapolis school districts. As they say, I dipped my toe in the water to get a feel and have never looked back. The work they are doing in India is phenomenal which I had the privilege of seeing first hand. They are transforming lives one at a time, serving under privileged children not only up to high school but beyond to make sure the kids are getting college and or vocational degrees so they can be gainfully employed. Their facilities are at par if not above many private schools which I have had the opportunity to visit from time to time. One last thought — money collected from donors goes directly to the programs and services for the students and not for overhead or fundraising costs, which is provided by Christel DeHaan's bequest. We wish Christel House success for the future - it is a noble cause!"

- **Manohar and Suman Arora**

"Christel House does incredible, selfless work, not only in our community but also in some of the most desperate parts of our world. We know every penny donated goes toward literally transforming the life of a child, and we are proud to support such a worthy cause."

- **Pete Ward, Chief Operating Officer, Indianapolis Colts**

"Janet and I invest in Christel House Mexico graduates because we KNOW the College & Careers program is transforming lives."

- **Janet and Craig Duchossois**
